## Belonging - Achieving - Growing

Dear Parents / Carers

Finally, we are seeing the sun shining and it certainly helps us all feel good! You are welcome to send your child to school with a hat/cap for them to wear at break/lunch and for outdoor learning such as Games. It is really important that children bring a water bottle to school each day so that they can drink regularly and stay hydrated. We know that hydrated children will find it easier to stay focused on their learning.

### SURVEY FOLLOW UP

The next instalment in our series of newsletters reflecting upon the parent/carers survey is below. This time we have considered the statements relating to behaviour and bullying.

The school makes sure its pupils are well behaved. 89% agreed.

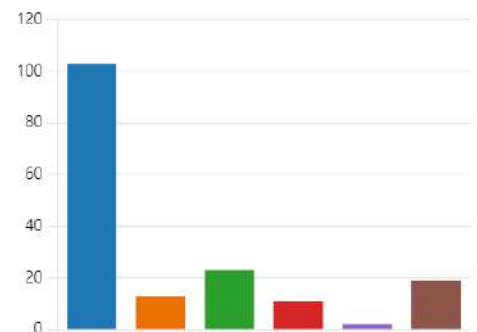

Strongly agree	53
Agree	99
Disagree	9
Strongly disagree	2
Don't know	8

We are continuously working to improve this and have recently empowered our School Council to carry out a piece of work where they have discussed this with their classes. In September we introduced a Twynham Learning Behaviour Curriculum— we recognised that we need to explicitly teach children what the expectations are and we can see that, for the vast majority of pupils, this is making a positive difference.

My child has been bullied and the school dealt with the bullying quickly and effectively.

It would be extremely foolish for any school leader to claim that ‘bullying does not happen here’! We know that children will make poor choices at times and that they will experiment in their relationships. On occasions, this will be deemed bullying and we are determined to root this out and deal with it rapidly and effectively. Our school values of Belonging, Achieving and Growing are taught explicitly and support children in understanding that:

- Everyone has the right to be individual
- We include everyone and we respect differences

Information relating to our Behaviour Curriculum, Behaviour Policy and Anti-Bullying Policy can be found on our website, here: [Behaviour \(and dealing with Bullying\) – Christchurch Junior School \(cjsdorset.org\)](https://www.cjsdorset.org/behaviour-and-dealing-with-bullying)

### WHAT PARENTS NEED TO KNOW ABOUT WHATSAPP

Following on from the information included in last week's newsletter regarding TIKTOK, please take the time to read the information flyer, "What parents and carers need to know about WHATSAPP".

# What Parents & Carers Need to Know about WHATSAPP

**...MSG ME...**

**WHAT ARE THE RISKS?**

With more than two billion active users exchanging texts, photos, videos and documents, as well as making voice and video calls, WhatsApp is the world's most popular messaging service. Its end-to-end encryption only allows messages to be viewed by the sender and any recipients: not even WhatsApp itself can read them. This privacy issue has been in the spotlight recently, as the UK's Online Safety Bill proposes to end such encryption on private messaging; WhatsApp is unwilling to do so and has reportedly considered withdrawing its service in the UK should this legislation go ahead.

## EVOLVING SCAMS

WhatsApp's popularity makes it a lucrative hunting ground for scammers. Recent examples include posing as the target's child, requesting a money transfer because of a spurious 'emergency'. Plus a scam where fraudsters trigger a verification message by attempting to log in to your account, then (posing as WhatsApp) call or text to ask you to repeat the code back to them, giving them access.

## CONTACT FROM STRANGERS

To start a chat, someone only needs the mobile number of the WhatsApp user that they want to message. If your child has ever given their number out to someone they don't know, that person could then contact them via WhatsApp. It's also possible that your child might be added to a group chat (by one of their friends, for example) containing other people that they don't know.

## FAKE NEWS

WhatsApp's connectivity and ease of use allows news to be shared rapidly - whether it's true or not. To combat the spread of misinformation, messages forwarded more than five times on the app now display a "Forwarded many times" label and a double arrow icon. This makes users aware that the message they've just received is far from an original ... and might not be entirely factual, either.

## ONLINE

## 'VIEW ONCE' CONTENT

The facility to send images or messages that can only be viewed once has led to some WhatsApp users sharing inappropriate images or abusive texts, knowing that the recipient can't re-open them later to use as evidence of misconduct. People used to be able to screenshot this 'disappearing' content - but a recently added WhatsApp feature now blocks this, citing increased privacy.

## CHAT LOCK

Another new option allows users to store certain messages or chats in a separate 'locked chats' folder, saved behind a passcode, fingerprint or face ID authentication. The risk here is that this function creates the potential for young people to hide conversations and content that they suspect their parents wouldn't approve of (such as age-inappropriate material).

## VISIBLE LOCATION

WhatsApp's 'live location' feature lets users share their current whereabouts, which can be helpful for friends meeting up or parents checking that their child's safely on the way home, for example. However, anyone in your child's contacts list or in a mutual group chat can also track their location - potentially letting strangers identify a child's home address or journeys that they make regularly.

## Advice for Parents & Carers ...TYPING...

### EMPHASISE CAUTION

Encourage your child to treat unexpected messages with caution; get them to consider, for example, whether the message sounds like something a friend or relative would really send them. Make sure they know *never* to share personal details over WhatsApp, and to be wary of clicking on any links in messages. Setting up two-step verification adds a further layer of protection to their WhatsApp account.

### THINKING BEFORE SHARING

Help your child to understand why it's important to stop and think before posting or forwarding something on WhatsApp. It's easy - and all too common - for content to then be shared more widely (even publicly on social media). Encourage your child to consider how an ill-judged message might damage their reputation or upset a friend who sent something to them in confidence.

### ADJUST THE SETTINGS

It's wise to change your child's WhatsApp settings (go to 'Privacy', then 'Groups') to specify which of their contacts can add them to group chats without needing approval: you can give permission to 'My Contacts' or 'My Contacts Except ...'. Additionally, if your child needs to use 'live location', emphasise that they should enable this function for only as long as they need - and then turn it off.

### CHAT ABOUT PRIVACY

Some parents like to check in with their child about how they're using WhatsApp, explaining that it will help to keep them safe. If you spot a 'Locked Chats' folder, you might want to talk about the sort of chats that are in there, who they're with and why your child wants to keep them hidden. Also, if your child has sent any 'view once' content, you could discuss their reasons for using this feature.

## TENNIS - MESSAGE TO PARENTS / CARERS

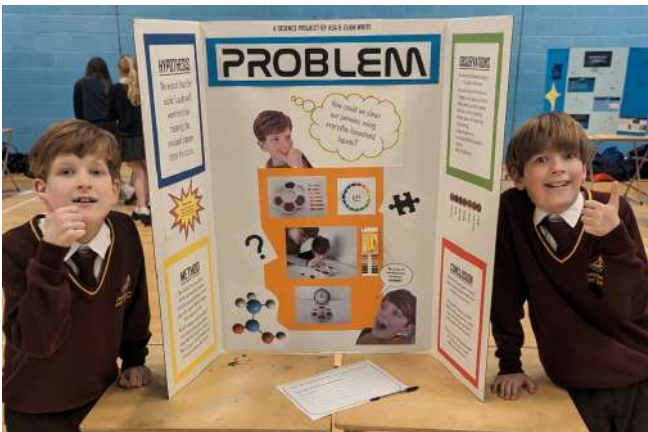

Please be aware that Mr Harris will not be holding the parent/carer tennis fun session on Monday 13 May due to Year 6 SATS taking place.

## TWYNHAM LEARNING SCIENCE FESTIVAL

I had the pleasure of taking our Science Fair winners to the Twynham Learning Science Festival last week. The children represented our school brilliantly and were able to proudly share their projects with the other schools and teachers, communicating passionately and enthusiastically. The judges were impressed with all our entries and we gained a second and third place in the KS2 category. We ended the day with an explosive show by Mr Dufficy which was a real treat. He just about managed to keep his eyebrows!

Many thanks to Harriet and Grace (3SC), Olivia and Euan (3CM), Elsie (4NS), Cemre and Marcel (4AL), Asa (5CD), Siena (5CH), Rafael and Logan (6VD), and Ashley and Elena (6CO) for their tremendous attitude and for being such super Scientists.

Mrs Landrebe -Science Lead

## TENNIS FESTIVAL

On Wednesday, we took a group of 18 pupils from Year 3 and Year 4 to take part in a tennis festival at Christchurch Tennis Club. It was a great morning of tennis, with lots of fun skills games, plus a matchplay event against other local schools. The results of the skills games and matches were combined and our teams finished in third and fourth place. Well done to everyone for being fantastic representatives of CJS and a special well done to Magnus (4NJ) who showed amazing resilience on the day!

## CELEBRATIONS AND ACHIEVEMENTS

William in 4NS took part in his first U9's end of season tournament at Brockenhurst last weekend. William plays for Bournemouth Electric, who went on to win the tournament after a sudden death penalty shoot out! William put himself forward to take one of the penalties, scored and was the first to shake hands with the opposing team. What a great sportsman. Well done, William!
