## Belonging - Achieving - Growing

Dear Parents/ Carers

Thank you for your contribution to our Sports Mornings this week. You helped create a fabulous atmosphere and your children demonstrated superb understanding our school values of Belonging/Achieving/ Growing. We have also been brilliantly supported by students from Twynham School—thank you—and I am grateful to Mr Foley, Mr Harris and Mr Moody who were instrumental in making these events so positive.

*With thanks to Stu Culley for drone image*

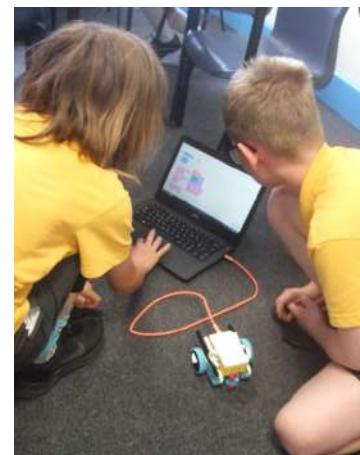

Many parents/carers have been in touch with school to share their positive messages with one saying: *'Very impressed with Sports Day this week. Ran like clockwork! Particularly taken by the camaraderie and support the children gave each other.'* As always, we are keen to incrementally improve what we do at CJS, and how we do it, so any constructive feedback is always welcomed.

Unfortunately, the weather was not kind for Year 3 this morning so a rearranged date will be shared soon. Have a great weekend.

### YEAR 6 ROBOTICS

On Tuesday, Computing staff from Twynham School visited CJS to teach Robotics to our Year 6 classes. Our pupils were fully immersed in the sessions. One pupil said: *'We had some visitors from Twynham who taught us to programme Lego robots using an app called Spike. We had a competition to see which group could programme their robot to travel around the course the fastest. It was a fun experience and great to have some experts in computing working with us!'*

### YEAR 4 TIMES TABLES ROCK STARS

On Monday, Year 4 showcased the very best that rock has to offer! Children came dressed as rockstars and had fun taking part in lots of times table activities during the day. Throughout the week, they then completed their statutory Multiplication Tables Check. We have been really impressed with how hard the children have been working on becoming fluent in their times tables and have seen how much this has helped in their general maths work. Well done Year 4!

### ROYAL ACADEMY OF ARTS YOUNG ARTISTS' SHOW

Thank you to all who submitted entries for the Royal Academy of Arts Young Artists' Summer Show 2024. The standard was incredibly high and they received over 21,500 submissions. Unfortunately, on this occasion none of our entries made it through to the exhibition. I was impressed by all the artworks that were handed in to me – it was wonderful to see such original and creative pieces.

*Miss Melvin—Art Leader*

### CELEBRATIONS AND ACHIEVEMENTS

#### GOLD HOUSEPOINT

Congratulations to Alfie in 5CH and Aya in 5AM who have both achieved GOLD this week!

## Stay & Play Somerford

Stay and Play in the summer holidays will focus on getting children ready to start school in September.

Our topics will be:

**Sharing** – Friday 2<sup>nd</sup> August 1 to 2:30

**Listening and understanding** – Friday 9<sup>th</sup> August 1 to 2:30

**Using sentences** – Friday 16<sup>th</sup> August 1 to 2:30

**Care needs** – Friday 23<sup>rd</sup> August 1 to 2:30

**Showing curiosity** – Friday 30<sup>th</sup> August 1 to 2:30

Starting a new school or going to school for the first time is an exciting time for children, parents, and carers, but it is a big change and can sometimes be a little scary and overwhelming. Help your child get school ready, by joining our 'starting school together' **stay and play sessions**, where we will offer you lots of support and ideas for you and your child to practice all the skills they will need at school.

If you have a baby or a toddler, the stay and play session is still running as normal, however there will be the added focus as above.
