Belonging - Achieving - Growing

Dear Parents / Carers

Thank you for your generous donations for Harvest Festival. By collecting food and other items for those in need, we are teaching our children the values of empathy, kindness, and community spirit. This morning children from CIS and CJS passed these items to Christchurch's Foodbank+. We know that taking part in this type of activity contributes to our focus upon the personal development of each child, and we believe the spirit of giving will continue to develop in each of them.

A further collaboration between CIS and CJS took place this week when Year 2 children made use of the Junior orienteering course, and had a great time finding their way around the school site!

ANTI BULLYING WEEK—SCHOOL STAFF AWARD 2024

Anti-Bullying week will be held during the week of 11-15 November – more information on the activities taking place are to follow. Before then, we would like to invite children to nominate any member of CJS staff who they think has gone above and beyond to prevent and respond to bullying or to raise awareness of bullying in our school. Children need to write a short paragraph explaining why they are nominating that person and why they think they deserve the award. We will be submitting these to the national Anti-Bullying Alliance on 16 October.

TRUSTEES AND LAB MEMBERS—RECRUITMENT

Our Trust, Twynham Learning, is recruiting for the Trust Board and for Local Advisory Boards. This is a brilliant way to make a significant contribution to our growing community. A separate letter has been sent to parents/carers giving details of these roles. Please read the letter and contact governance.manager@twynhmalearning.com with any queries.

A MESSAGE FROM DORSET MENTAL HEALTH SCHOOLS TEAM—FREE WORKSHOP

Parenting children and young adults is hard, sometimes it can be scary and overwhelming with news stories and social media influencing how safe we feel our children are and the risks they may face in today's climate.

Join our **FREE** workshop to learn more about topics such as the influence of social media, the signs, and stages of exploitation, and how we can prevent young people being affected by knife crime as parents/carers and as a community.

This 2-hour workshop is hosted by The Ben Kinsella Trust, to register, please follow the link below :

A MESSAGE FROM LITTLE LIVES CHILDREN'S CHARITY

Dear Parents and Carers

We are excited to announce our upcoming charity drive at school! We are collecting unwanted clothes and electronic devices to support those in need and contribute to a more sustainable future. Instead of letting these items gather dust at home, why not give them a second life?

Here's how you can help:

- **CLOTHES:** If you have clothes that no longer fit or are out of style, donate them to support families in need
- **ELECTRONIC DEVICES:** Do you have old phones, tablets, or gadgets you no longer use? These can be refurbished or recycled to support important causes.

You can drop off your donations in the collection bins located at the school entrance during morning drop-off and afternoon pick-up, **Monday 7 to Friday 11 October** (next week).

This is a fantastic opportunity to clean out your closets and drawers while teaching our children the importance of charity and environmental responsibility. Together, we can make a big difference!

Thank you in advance for your generosity and support.
